We are committed to sourcing as many items on the menu as possible locally:

- Our delicious Pork, Beef and Lamb Sausages come from Shetland butcher J.K. Mainlands using locally reared meat.
- All our eggs (served for the breakfast, in the filled rolls and used for baking) are free-range and come from the 'happy hens' of small local producers in Yell and Unst.
- As many seasonal Vegetables, Herbs, Salad leaves and Fruit as possible come from local growers The Urge in Unst.
